REMARKS

Applicant thanks Examiner Dixon for taking the time to discuss the proposed new Claim 1 with applicant's attorney. Claims 1 and 9 have been amended as discussed. As a result of the discussion Examiner Dixon stated that based on a first reaction, new Claim 1 appears to over come the presently pending rejections and that the examiner would do additional searching. Claim 9 has been amended to contain the same limitation as added to Claim 1. All of the remaining claims are dependant on either new Claims 1 or 9 and therefore contain the same limitations.

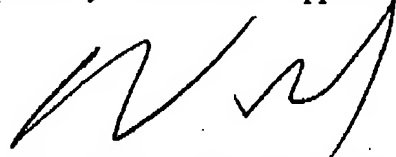

CONCLUSION

In light of the foregoing, Applicants respectfully submit that all claims are now in condition for allowance.

Applicants believe that no fees are necessitated by the present Amendment. However, in the event that any fees are due, the Commissioner is hereby authorized to charge any such fees to Deposit Account No. 06-0923.

If the Examiner believes that a telephone conversation with Applicants' attorney would expedite allowance of this application, the Examiner is cordially invited to telephone the undersigned attorney at the number provided below.

Respectfully submitted for Applicant,
